6. Revenue Administration	14
7. Consumer Service: Water Services	15
8. Water Meter Administration	16
9. Water Services – Operations.....	17

1. Purpose

The purpose of this document is to set out the Consumer Services Charter and standards of Cederberg Municipality. The plan is to firstly improve municipal efficiency and performance by providing reliable, responsive, competent, accessible, courteous, confidential and secure services to the ratepayers of Cederberg Municipality.

This document provides:

- an explanation of the services offered for drinking water as well as wastewater collection and treatment;
- information on a range of consumer service processes including connections, metering, billing managing maintenance work, complaints and dispute resolution;
- a list of indicators and targets to express the level of service the municipality aims to deliver to its consumers. This includes water supply interruptions, wastewater overflows and odours, response times and repair completion times;

This document further sets out the shared rights and responsibilities and informs the consumers of the service that they can expect to receive from Cederberg Municipality, as well as their obligations in relation to the use of the services. The document is available to all consumers and it applies to all who do not have a specific or individual contract with the municipality for provision of services.

The document was compiled in accordance with the *Water Service Act (Act no. 108 of 1997)*, the *National Water Act (Act no. 36 of 1998)* that recognises that the ultimate aim of water resource management is the sustainable use of water to the benefit of all users as well as *world class standards and SANS 241*.

2. The Consumer's Obligations

What's the definition of a 'consumer'?

Any end-user who receives services from an institution, including a person living in an informal settlement, industrial users etc.

Consumers are expected to:

- a) Pay for the services rendered by the municipality;
- b) Use water sparingly and report water leakages, illegal connections and damage to infrastructure to the municipality;
- c) Inform the municipality of any defects, pipe breakages, blockages, bad taste and colour in water, missing and broken manhole and meter covers;
- d) Repair all internal leaks on their private properties;
- e) Adhere to municipal bylaws that has been set to improve service delivery;
- f) Make use of qualified artisans to do repairs and installations on private property;
- g) The owner of properties is ultimately responsible for ensuring compliance with by-laws in respect of all or any matters relating to any installation, and if he or she is not the consumer who actually uses the services, the owner is jointly and liable with such consumer in respect of all matters relating to the use of any services on his or her property, including any financial obligation.
- h) Do not dispose of unwanted materials into water courses and sewer networks this will contaminate water and may lead to deceases;
- i) Do not connect storm water to the sewer networks of the municipality;
- j) The municipality may from time to time need access to your property, and your cooperation is requested in this regard;
- k) Do not tamper or make illegal connections from meters – this is an offense and you can be criminal charged.

3. The Municipality's Obligations

Cederberg Municipality shall:

- a) Supply water that meet National Water Quality Standards (SANS 241) and any other contractual agreement with our consumers.
- b) Supply water 24 hours daily.

- c) At all times maintain pressure between the minimum and maximum supply pressure per consumer connection under normal operating conditions based on existing and projected annual average daily demand.
- d) Bill consumers on a monthly basis for services.
- e) Communicate water quality and service interruption challenges to the consumers through various media channels (radio, newspapers and notice boards etc.)
- f) Minimise the impact on the environment by ensuring the wastewater system is efficiently operated;
- g) To deal with any sewerage spills in accordance with our hazardous standard operating procedure.
- h) Establish a fair and cost effective tariff so that all consumers have minimum service to water and sanitation.
- i) At all times be accessible to members of the public;
- j) Strive to be professional in approach when dealing with members of the public;
- k) Serve and execute their duties with due diligence and honesty;
- l) At all times be friendly, polite and professional when answering telephone calls.
- m) Treat all members of the public equally, without distinction of race, religion, gender or social orientation.
- n) Observe official working hours in order not to prejudice or inconvenience members of the public.
- o) Upon enquiry by a member of public, furnish information regarding the status of projects executed by the Municipality.
