NOTICE OF SUPPLY CHAIN MANAGEMENT
APPLICATION FOR REGISTRATION ON CENTRALISED SUPPLIER DATABASE

Paragraph 14(1)(a) of the Municipal Supply Chain Management Policy states that the municipality must keep a list of accredited prospective providers of goods and services that must be used for the procurement requirements. Cederberg Municipality has decided to accept an invitation from National Treasury to join the Centralised Supplier Database (CSD) with the view of using one centralized database. This decision was taken based on the advantages it holds for our suppliers as well as our organization's procurement processes. All prospective providers of municipal goods and/or services are hereby requested to register their business with the CSD.

Registration on the CSD is at no cost for a supplier.

REGISTRATION WILL BE COMPULSORY IN ORDER TO CONDUCT BUSINESS WITH CEDERBERG MUNICIPALITY. The database will be used to verify the accreditation of a supplier before an award can be made.

The process - Paperless

The CSD will automatically validate the following registration documents (after registration);

- Proof of Bank Account Registration
- Tax compliance status (TAX Clearance)

Identify employees in the service of state as defined in the regulations with information available in the PERSAL system at this time, namely National and Provincial officials
